

Protection

A properly designed awning can substantially save energy and provide protection from nature's uncontrollable elements.

Cost effective

Cost effective awnings are a great investment for your home.

**Professional Awning
Manufacturers Association**

This brochure contains work by the Professional Awning Manufacturers Association (PAMA) of the Industrial Fabric Association International (IFA).

Awnings

*An attractive first
impression for your home.*

Extended living

An awning over a patio provides an extended living area that is cool and relaxing. Enjoy outdoor activities on a rainy or sunny day.

Create an image

Brighten your home with a splash of color. Create the image you desire by selecting from an array of awning designs, shapes and fabrics.

Adding personality

Awnings can enhance the look and personality of your home by adding style, dimension and color.
